

ANU LSS Committee Meeting Minutes 15/04/18

President

- ANUSA Affiliation
 - Suchara had a meeting with the Dean re affiliating with ANUSA
 - We're considering it mainly due to insurance and risk management reasons
 - We currently sit in a bit of a weird space in being an incorporated association / being connected to the College of Law
 - Affiliating would allow us to be connected to the ANUSA insurance policy and protection from Richard Baker from the Chancellery
 - We also should be paying for ANU Venue Hire as we aren't affiliated
 - Suchara and Julia will be meeting with Lewis (Clubs Council Chair) and Eleanor (ANUSA President)
 - Suchara will be meeting with past LSS presidents to discover history of LSS affiliating with ANUSA
- Wellbeing
 - Claudia met with batyr - they want to run a program with us
 - A speaker series type event with a meal afterwards
 - Another option is collaborating on smaller events like breakfast or coffee or yoga
 - LSS does run a lot of speaker series events already and it is often hard to get good attendance
 - Yoga on law lawns would be quite visible
 - Walk would require people to show up on time
 - Cooking event could also be fun - could provide a good chance for people to engage/talk to each other
