Publicity

- Have released the 'save the date' and due to release the venue for ball on the 31st of July to the general public to continue hype surrounding event
- LSS Committee

Decorations

- Getting three quotes from
 - o Wren & Rabbit
 - o Show pony events

Venue

- Decided to move away from QT due to a few management issues last year as per feedback from last year
- Wanted to opt for a smaller amount of people to build up exclusivity for the event given the slow ticket sales last year
- Hotel Realm have been incredibly accommodating thus far, especially given the circumstances

COVID-19

- Realm capacity
 - o 2m – 170 guests
 - o 4m – 345 guests
 - o Max capacity – 420 guests
- Will write into terms and conditions for tickets that we can cancel up to two weeks beforehand
- Realm will allow a credit to next year if the event is cancelled due to COVID

Afterparty

- Dependent on restrictions – easy to organise closer to the date

- Dependent on restrictions
- Lovely way to see everyone in a relaxed setting

Bush Week Welcome Drinks

- Contingency plan needed to facilitate online
- Would be themed 70s, murder mystery – still deciding
- Would like to have publicity out by next week!

Consent Labs X ANU LSS Event

- Working with a Sydney based education group centred on providing consent-based education to university and high school students and facilitating conversation's around consent and sexual violence and harassment
- Looking to do an Instagram 'takeover' in the form of a 'Consent Day' with a giveaway
- Looking to do an online event (either through zoom panel or insta live) to talk about consent and sexual violence in a legal capacity to engage with LSS students – still working out which format we will utilise
